Courses Taken

Please complete the following section.

1. If you are currently taking the course, simply supply the instructor, and leave the grade blank;
2. If you haven't taken the course, leave it blank.
3. If you retook the course, provide the most recent grade and instructor.
4. If you are interested in a particular area for a project (IS or non-IS), please provide any additional relevant courses in the last section, e.g., if you are interested in computational biology, list any biology, chemistry, or other related courses in that section, and explain your interest in the Project Interests section above.

Course	Title	Instructor	Grade
CISC 1115 <i>or</i> CISC 1170	Intro to Programming Using Java <i>or</i> Java for Programmers		
CISC 3115	Introduction to Modern Programming Techniques		
CISC 3130	Data Structures		
CISC 3180	Database Systems		
CISC 4900 <i>or</i> CISC 5001	Independent and Group Projects I <i>or</i> Independent Study and Research I		

Other required courses: three courses from 3140, 3142, 3171, 3325, 3340, 3345, 3410, 3800, 3820 (one substitute allowed from 3160, 3220, 3310, 3320, 3610, 3630)
