Major in Multimedia Computing

To student: Please complete this form with a pdf editor[1]. Submit the completed copy to Dropbox[2].

Student Information

First Name: **Last Name:**

CUNYFirst ID: **Email:**

Final Semester: **Major:**

Internship

INSTRUCTIONS Check (and complete) one of the following:

	1. I will not be part of an internship (and do not expect to find one on my own). if you'd like, in a couple of sentences, please describe any areas of particular interest. This might include: a CIS course that you found particularly interesting; work/internship experience; a particular technology or programming language; an application of computer science that interests you

	2. I will be employed and working with the following during Spring 2022:
	
	Fill out this section ONLY if you have already been accepted for an internship, have arranged a project with a faculty member, or have a suitable project at your place of employment.
	
	    Agency, Firm, etc:
	
	    Supervisor Name:
	
	    Supervisor Email:
	
	    Relationship:
	
	    Brief Description:

---

Courses Taken

Please complete the following section.

1. If you are currently taking the course, simply supply the instructor, and leave the grade blank;

2. If you haven't taken the course, leave it blank.

3. If you retook the course, provide the most recent grade and instructor.

4. If you are interested in a particular area for a project (MC or non-MC), please provide any additional relevant courses in the last section, e.g., if you are interested in computational biology, list any biology, chemistry, or other related courses in that section, and explain your interest in the Project Interests section above.

Course	Title	Instructor	Grade
CISC 1115 *or* CISC 1170	Intro to Programming Using Java *or* Java for Programmers		
CISC 1600	Introduction to Multimedia Computing		
CISC 2210	Discrete Structures		
CISC 2820W	Computers and Ethics		
CISC 3115	Introduction to Modern Programming Techniques		
CISC 3130	Data Structures		
CISC 3220	Analysis of Algorithms		
CISC 3620	Computer Graphics		
CISC 3630	Multimedia Computing		
CISC 4900 *or* CISC 5001	Independent and Group Projects I *or* Independent Study and Research I		

Other required courses

Course	Title	Instructor	Grade
Math 1006	College Algebra for Precalculus		
Math 1011 *or* Math 1012	Precalculus Mathematics *or* Precalculus with Recitation		
Math 1201	Calculus I		
Math 1711 *or* Math 1206	Mathematical Foundations of Computer Graphics I *or* Calculus II		
Math 1716 *or* Math 2501	Mathematical Foundations of Computer Graphics II *or* Elementary Probability and Statistics		

Other Required CIS courses: three additional CIS courses from: 3140, 3142, 3410, 3415, 3610, 3650, 3660, 3665, 3667, 3810, 4610

Course	Title	Instructor	Grade
CISC			
CISC			
CISC			

Two courses from: Art 2811, 2820, 2821, 3812; Music 3260, 3261, 3262, 3264 (or CISC 2600), 3322; Film 1201, 2701; TV, Radio, and Emerging Media 2420, 3861, 3871, 3951

Course	Title	Instructor	Grade

Other 'Relevant' (CIS and non-CIS) Courses
